ABOUT ME

I am a young designer based in Rourkela, Odisha. As of now, I am pursuing my bachelor's degree from National Institute of Technology, Rourkela in the department of Industrial Design. Proficient in idea generation and innovation, I have undertaken and successfully completed multiple projects at the institute level. Currently I am looking forward for full time UI/UX design internship opportunities.

EXPERIENCE

UI/UX Designer

Jan '20 - present

Teceads Solution Pvt. Ltd.

I am working as a part time UI/UX Designer at Teceads Solution Pvt. Ltd where I am designing a hybrid app for users to book appointment with doctor for medical check-ups.

Designer

Jan '20 - present

UG Souvenir 2020

Working as a designer to design the annual souvenir magazine for the graduating batch of 2020 along with a team of other designers.

Graphics Designer

Jan '20 - present

National Entrepreneurship Summit 2020

Working as a graphic designer to design posters, flyers, brochures, and other printables.
